## How to ship your Galaxy S22 Ultra 5G for free

- 1 Delete and disconnect everything from your device.**  
Disconnect from all personal accounts (like iCloud or Google), delete your passcode — [delete it all](#)
- 2 Pack your device like you mean it**  
Pack your device in a box or insulated envelope. Be sure that it's safe and well-padded to prevent it from moving around in transit. You can use recycled materials like newspapers or love notes from your ex for padding.
- 3 Print and stick the prepaid shipping label**  
Print your shipping label, stick it to the box, and secure it with strong tape. You can get your prepaid shipping label from your Trade-in sale confirmation email or your Back Market account.
- 4 Ship it**  
You have until 04/01/2025 to send your package. [Find a drop-off location](#) by scanning the QR code above.
